The evidence authority most frequently cited by Illinois courts

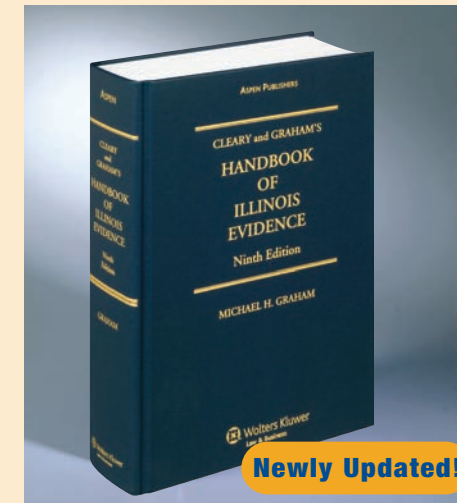

Newly Updated!

Cited more than 700 times by the Illinois courts

- In-depth analysis of the principles, leading decisions and key statutes
- Practical guidance on critical evidence issues
- Convenient one-volume — ideal for in and out of court

Succeed in the courtroom with the most frequently cited evidence authority in Illinois

Newly Updated!

If you litigate or preside in any court in the state of Illinois, you know just how confounding the state's evidence laws can be. With so many cases to consider, so many decisions to reconcile, and evidence rules to apply, an ambiguous question of relevance, hearsay, or privilege can throw your case into a tailspin.

Cleary and Graham's Handbook of Illinois Evidence gathers—into one, easy-to-use resource—all of the rules, the leading decisions, and the significant

statutes you need to consider when assessing your evidentiary picture. Structured according to the Federal Rules of Evidence, the book walks you through all the rules and their operation (including judicial notice, presumptions, relevance, the "best evidence" rule and others), discusses all of the leading authorities, and cites numerous trial examples. You gain a clear picture of how the rules apply in today's Illinois courtrooms.

The ideal 'first stop' to answer your evidence questions

Throughout *Handbook of Illinois Evidence*, special attention is paid to helping you quickly solve commonly encountered, but difficult, evidence questions. Without having to pore through older cases of little precedential value, you'll find the latest rules, cases, and analysis on topics including:

Witnesses—Presenting testimony and making objections; impeachment by prior convictions and bad acts, evidence of prior sexual acts, prior inconsistent and consistent statements

Expert evidence—Including DNA profiling and expert opinions based on facts not in evidence

Hearsay—Extensive discussion of *Crawford v. Washington*, *Davis v. Washington*, and Confrontation Clause problems, admissions by employees, hearsay in business records

Privileges—Attorney-client privilege in the corporate setting, inadvertent or selective waivers, privileges for health care professionals

Relevancy—Chain of custody for physical evidence, graphic photographs, character and uncharged crimes, stipulations

Newly Updated!

Be prepared. Be confident. Win your next case.

For over 50 years, *Cleary and Graham's Handbook of Illinois Evidence* has guided litigators on the many questions and problems arising from Illinois' complex, ever-changing evidence rules. It's the most frequently cited resource available on Illinois evidence today. You'll find:

- ▶ **Insightful analysis of the latest cases, statutes, and rules** — Full explanations of the *Frye* test; hearsay and its exceptions; expert witness testimony including accident reconstruction testimony; impeachment of witnesses; and more
- ▶ **Valuable strategic examples to help you successfully plan your next case** — Collateral-noncollateral distinction; multiple level hearsay in conjunction with the hearsay exception for business records
- ▶ **Time-saving, easy-to-use format** — Organized to match the Federal Rules of Evidence; detailed tables of cases, statutes and rules for fastest answers to complex questions; full and complete index to find principles and theories relevant to your case

Stay on top of the latest developments and avoid costly mishaps

Widely recognized as the most useful, comprehensive, and authoritative work on the subject, *Handbook of Illinois Evidence* is a valuable research tool that—

- ▶ Explains all aspects of witness testimony, including the mechanics and scope of direct and cross-examination, making objections and methods of impeachment, including evidence of prior inconsistent statements and of other crimes, wrongs, or acts
- ▶ Analyzes Confrontation Clause issues relating to hearsay statements after the U.S. Supreme Court decisions in *Crawford v. Washington* and *Davis v. Washington*, and has new historical overview and application sections.
- ▶ Details the unique approach the Illinois Supreme Court has taken with *Crawford Davis*.
- ▶ Sets out the rule against hearsay and all its exceptions, and discusses attacking and supporting the credibility of the hearsay declarant and recognizing hearsay within hearsay

- ▶ Covers decisions involving privilege, including communications to clergy, husband-wife privilege, attorney-client privilege, and mandatory waiver of physician-patient privilege when bringing a claim for bodily injury or death
- ▶ Reflects expanded coverage of special evidentiary issues involved in trials concerning abuse of children, mentally retarded persons, or the elderly
- ▶ Offers discussion of expert and scientific evidence in light of *Donaldson v. Central Illinois Public Service*, the differences from the federal *Daubert/Kumho Tire* approach, and specialized aspects of expert testimony, including accident reconstruction and “reasonably relied upon” facts as basis for an opinion

Try *Handbook of Illinois Evidence* in your practice. You'll see how thorough and effective it is in helping you master difficult evidentiary issues. Plus it's a comprehensive, single-volume resource that goes with you to court!

Let the expert guide you through the “ins and outs” of Illinois evidence law

MICHAEL H. GRAHAM is a member of the American Law Institute and the former reporter and principal drafter for the United States Department of Labor's Rules of Evidence. He was also a participant in an Amicus Curiae Brief to the United States Supreme Court in *Daubert v. Merrell Dow Pharmaceuticals, Inc.* A frequent lecturer, prolific author, and former columnist for the *Criminal Law Bulletin*, Professor Graham's works include *Winning Evidence Arguments* (West) and *Handbook of Federal Evidence* (West), among others. He received his J.D. *magna cum laude* from Columbia Law School, where he served as editor of the *Columbia Law Review*, and his Master of Criminology from Cambridge University, England. He is currently a Professor of Law at the University of Miami School of Law and was formerly a Professor of Law at the University of Illinois. Mr. Graham is a member of the Illinois Bar.
