# The Most Complete and Authoritative Guide on HIPAA!

## Fast Answers to Your HIPAA Questions!

- Do the security rules require use of specific technologies?
- Do the security rules apply to all protected health information?
- What should I do when a HIPAA rule conflicts with my state laws?
- Is our legal counsel considered a "business associate"?
- What notices must we give to our patients regarding our use and disclosure of medical information?
- And more!

## Top Legal Expert in Health Law and HIPAA Compliance!

**Lisa M. Boyle** is a partner and co-chair of Robinson & Cole's Health Law Group. Ms. Boyle represents a wide variety of health care providers and has considerable experience in all aspects of health law, including mergers & acquisitions, joint ventures, medical staff and peer review issues, the Stark Law and Anti-kickback Statute, and physician recruitment and compensation.

*HIPAA: A Guide to Health Care Privacy and Security Law* serves as your main HIPAA desk reference. Instead of scattered books and manuals, you'll have all your legal information in one neatly indexed source—so you can quickly resolve the kinds of questions that arise on a regular basis.

This definitive resource has been newly updated to keep you abreast of the latest developments and issues, including:

- The American Recovery and Reinvestment Act of 2009 (ARRA) and its effects on the privacy and security of health information, including, but not limited to:

- Covered entities' new obligations under HIPAA's privacy and security rules
- Business associates' new obligations under HIPAA's privacy and security rules
- Security breach notification requirements
- Increased individual rights under HIPAA
- Strengthened enforcement provisions

- New guidance by the Office of Civil Rights regarding:

- Personal health records and the HIPAA privacy rule
- Health information technology and the HIPAA privacy rule
- Application of FERPA and HIPAA to student health records
- Communications with a patient's family, friends, and others involved in the patient's care

- New companion fact sheets provided by the Office of Civil Rights that address the **Nationwide Privacy and Security Framework** for electronic exchange of individually identifiable health information

- Updated state security breach notification laws, including a general summary of each state's key provisions

- And much more...including comprehensive coverage of the **Genetic Information Nondiscrimination Act of 2008 (GINA)**
